"We loved it and you! Best part was the view on the way to Parsons Landing. The difficulty level was just right. We felt very supported."

"We hiked the TCT and have done many hikes in the past. This time we decided we deserved some luxury. Catalina Backcountry did it all - it was FANTASTIC. We would do it again anytime."

"The hiking was great! Your overall trip planning was terrific. We are very impressed with your organization - we had all the information and instruction we needed. Thanks for making this a terrific event for us - we will be back."
